

BRANDESBURTON PRIMARY SCHOOL
TRANSITION POLICY

INTRODUCTION

In this policy 'transition' describes the movement that takes place from one familiar setting (including the home) to another. Care and attention is given to each stage for an individual, groups or cohorts of children to, through and beyond Brandesburton Primary School.

“transition is a process, not an event”

AIMS

We want our children to experience a smooth educational and emotional transition throughout their learning thus ensuring all children continue to make the very best progress.

EQUAL OPPORTUNITIES AND INCLUSION

- Staff, children, parents, governors and other agencies are actively involved in the process and their perceptions about transition are explored and valued.
- Measures are taken to ensure all children are given the opportunity to experience a similar ease of transition.

PRINCIPLES

1. Effective transition takes time, and is a process rather than an event.
2. The collection of information prior to the children starting in a new setting will be in co-operation and partnership with parents/carers/existing staff/receiving staff and if age appropriate, the child.
3. There is a professional regard for the information from the previous setting / class.
4. Planning is based upon assessment information from the previous class / setting.
5. Approaches to teaching and learning are harmonised at the point of transition.
6. Styles of teaching and learning meet the needs of the children and are not pre-conceived notions of what is appropriate for the next phase / key stage.
7. Transition motivates and challenges children.
8. Children are able to enjoy new approaches at transition.
9. Staff allocation gives particular attention to the particular needs of the children.
10. Feedback from children and parents is encouraged and valued.
11. Transitions are not overlooked or left to chance, but thought about and planned in advance.

3. Meetings are held with SEND, LAC and CP Co-ordinators as appropriate.

Equality, Diversity and Inclusion

Children are actively involved in all transition processes that take place.

Measures are taken to ensure pupils with learning or access difficulties experience similar ease of transfer as other pupils.

We value the diversity of individuals within our school and do not discriminate against anyone because of 'differences'. We believe that all our children matter and we value their families too. We give our children every opportunity to achieve their best by taking account of our children's range of life experiences when devising and implementing school policies and procedures.
